## Gift Selection

Please choose a gift from the options below. Feel free to give gift(s) of any size. If you would like to purchase any of these items, but are able to give only a portion of its price, you may do so. For instance, if you have a passion for providing medical supplies but can only give \$50, we will be happy to combine your gift with another to purchase what is needed.

### \$360 Gift: Tuition for a Year

1. Sponsorship of students is a high priority for us. Your support goes 100% to pay tuition for a student. When you sponsor a student, you can expect a letter from them at least once or twice a year.

## How It Works

Pick a gift item(s) from the list. Fill out the order card and mail it with your check made out to "Partners in Mission" Memo line: Gift Catalog.

If you choose to buy a gift for another person, we will send a card, designed by one of our children at KSVI, in your name, to the person you designate. We will mail you a letter and a tax receipt the same day we send the card to your designated recipient. If you do not designate a recipient, we will send you a letter with a tax receipt. All gifts are tax deductible

Dear Friends

Thank you for taking time to look through our Partners in Mission (PIM) Gift Catalog. The gifts represented within these covers support Kamwenge Secondary and Vocational Institute (KSVI), a school founded by PIM-Uganda. As you browse through the gifts available, we invite you to partner with us to sustain and grow this school which is so vital to the Kamwenge Community.

KSVI first opened its doors in February 2007, a vision of Rev. John Mulindabigwi (Coordinator of PIM and also Director of KSVI).

In Rev. John's words, "I traveled many times to share the gospel with people in the community, and people were saved, but every time I returned, I found them in the same place, struggling to feed their families and to trust Christ." Rev. John and Jolly purchased with their own resources 20 acres of land and began building KSVI.

KSVI currently has 180 students. Good Shepherd Kindergarten was opened in February 2010, where we now serve an additional 60 children.

KSVI offers young people a way to learn skills which will support their families and benefit the entire community.

Your gift(s) from this catalog will help sustain KSVI now and into the future. We thank you for your partnership with us.

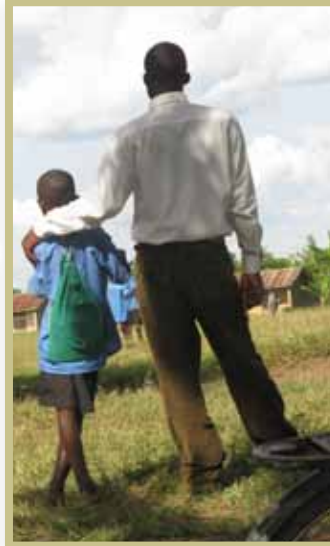

You are a blessing!

In Christ,

*Barb*

Barbara Retelny,  
President

Partners in Mission - USA

## The Situation

The Kamwenge community is made up of "double refugees" who were forced from their homes and country under the cruel dictatorship of Idi Amin in the 1970s, into refugee camps in Tanzania. In 2001, long after Idi Amin was deposed, these people were returned by their Tanzanian hosts as refugees to their homeland. When they returned, their homes and land were occupied by other people. As a result, the Ugandan government resettled them to a remote area called Kamwenge. These Ugandans are extremely under- resourced, have little education and few skills to support themselves.

## The Need

Education is foundational to giving this community hope. In 2006, Partners in Mission (PIM) US formed a partnership with PIM Uganda to build and support a vocational school in the community. As a result, Kamwenge Secondary and Vocational Institute (KSVI) was formed to meet this need. Today KSVI educates over 180 students. The cost of educating each child is only \$360 per year.

## The Opportunity

We have created a gift catalog to make it easy for you to get involved in supporting these children at KSVI. We trust that you will consider giving a gift of hope in honor of someone special in your life. This could be a gift to your family at Christmas time, or a gift for another special occasion. All donations will go toward support of these needy kids.

Thank you to our friends at DARWILL of Hillside, IL, who donated their services to print this brochure. We cherish their partnership with us.
